Announcing the New ICC Membership Councils: New Opportunities to Enhance Your Profession and Career

The Membership Councils offer ICC Members a place to come together and be a more powerful force shaping your ICC, your industry, your career, and your future. The ICC Board, as part of ICC's celebration of the "Year of the Member," is pleased to announce five discipline-specific Membership Councils that will each serve to take your ICC Membership and profession to the next level. Share your expertise, voice, and vision with your peers – get started today!

ICC Membership Councils were formed after Members asked to have a greater role influencing how ICC serves to enhance Members' work performance, careers and professions. ICC's success is driven by the unity and diversity of its Members. The strength and solidarity of our organization allows us to better serve our membership and communities, and promote a shared vision of a safe and sustainable world.

Register by October 15 to be able to attend the first meetings on October 30 in Phoenix at the Annual Conference and also be entered to win an iPad! Find out more about the new ICC Membership Councils here: <http://www.iccsafe.org/Membership/Councils/Pages/default.aspx>
